Re: Notification of Asbestos Management Plan (AMP) and Inspection Reports Survey

In accordance with the EPA's regulation 40 CFR 763.93 (4) Notification Of Availability Of Management Plans, the Carson Montessori Charter School is notifying all parent/Guardian, teacher and employee organizations of the availability of the school's asbestos management plan. The plan is located in the schools office at 2263 Mouton Dr., Carson City, NV 89706. You may review the plan during normal business hours.

This plan is required to contain information regarding the location of all Asbestos Containing Materials (ACBM) as the result of the asbestos hazard emergency response act (AHERA) Inspection. Since the inspection indicated that there aren't no a CBM in the facility currently, there is no planned corrective action, other than to continue to provide this notification on an annual basis, and to maintain the Carson Montessori Charter School is asbestos free.

Sincerely,

Jessica Barlow Daniels  
Principal
