

Savings to you for the 2011-2012 School Year

Backpacks No Needed

Great things have been happening at Carson Montessori School. Word has gotten out about our Educational Gem and we are full to capacity. Due to space limitations students will not need a backpack for school. This is a cost savings we are happy to pass onto you. For those students who need a courtesy hold for a weekend trip, we will stow the bag in the office.
